

Irish Society for Immunology

July 2024

- Prof. Joanne Lysaght discussed the plans for the next ISI annual meeting which will take place in Galway in September 2025. The proposed sessions were discussed and requests for suggested speakers were put to the ISI committee. Dr. Aideen Ryan will co-ordinate with University of Galway around dates and booking venues.
- Dr. Aideen Ryan and Prof. Joanne Lysaght updated the committee on the upcoming SITC satellite meeting. The marketing material has been circulated and the website/registration has been updated. Sponsorship money for the event has also been secured. A PP1 event has been organised for the evening prior to the satellite meeting, and this in conjunction with Breakthrough Cancer Research.
- Prof. Ed Lavelle provided an update to the committee on various aspects of the ECI meeting including; abstract numbers submitted, workshops completed, number of registrations, sponsorship secured, and entertainment for the event. The ISI committee provided suggestions on potential entertainment events for the ECI meeting.
- Dr. Melissa Conroy updated the committee on the outreach activities of the ISI, which included the development of new stations and teaching packs. Dr. Conroy also offered these stations/work packages for others to use across their universities.
- Dr. Catriona Dowling provided a communication update to the committee.
