

Irish Society for Immunology

May 2024

- Dr. Aideen Ryan and Prof. Joanne Lysaght updated the committee on the SITC satellite. The marketing material has been circulated, and the website and registration is updated. Sponsorship money has also been secured for the meeting.
- Prof. Ed Lavelle provided an update on the ECI meeting. The abstract reviewing and organisation is completed.
- Dr. Aideen Ryan, Prof. Joanne Lysaght and Prof. Ed Lavelle will meet to organise workshops for the ECI meeting.
- The ISI outreach group have developed two new stations and teaching packs; the anatomy station and the weight of the immune system.
- There was an outreach event also ran in UCC with Transition Year students.
